

Shri Labhubhai Trivedi Institute of Engineering and Technology

A report on

Entrepreneurship Development Program (Module-II)

In the present era of cut throat competition limited job opportunities are available and hence this is high time to think about alternative option of job. An individual can become self-assured by giving his/her efforts in the direction of Entrepreneur. They plays a vital role in the country's economic growth and also creates employment opportunity for others.

With this noble prospective in mind Shri Labhubhai Trivedi Institute of Engineering and Technology, Rajkot has organized an Entrepreneurship Development Program Module-II from 27/12/2019 to 10/01/2020. SLTIET has already successfully organized entrepreneurship awareness program. Few students have really encouraged from EAP. Interested 24 final year students have participated in the Entrepreneurship Development Program Module-II. Students have shown their enthusiasm and active participation during the program. All experts have delivered contents in interesting way.

All institute level coordinators of EDP Module-II worked hard to make this program successful. Principal Sir, Director Sir and Management of the Institute congratulated to all student participants and coordinators. Institute is really thankful to CED Cell, Rajkot. During the program Ms. Isha Pathak, Mr. C. Bhagat and Mr. Bhargav Jani from CED cell, Rajkot has provided huge support to make this program successful. Institute and coordinators are thankful to all of them. Institute and coordinators are also thankful to CED Head office for their valuable support and guidance.
