Date: 11th January, 2018

(In pursuance to power conferred upon Officer on special duty by the Fee Regulatory Committee (Technical) wide its resolution dated 4th January, 2018, the following circular is issued accordingly.)

Circular

The Fee Regulatory Committee which is constituted under the **Gujarat Professional Technical Educational Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act, 2007** by exercising power conferred upon it under section 10 of the said Act has determined the fee structures of unaided professional institutions imparting professional education and which are falling within its purview for the block period of 3 years of 2017-18, 2018-19 and 2019-20 as per the Appendix attached herewith. The fee determined by the committee is applicable to a student who is admitted in that academic year and shall continue to apply till completion of his or her course in the same institution. The difference between the provisional fee charged by the institution and the fee determined by the committee shall have to be paid by the student if the fee determined is higher than the provisional fee charged by the institution and paid by the student **OR** the institution will have to refund the difference to the student if the provisional fee charged by it, is higher than the fee determined by the committee. The institution shall not charge or collect any fee other than the fee determined by the committee. It is also not allowed to collect the fee at a time amounting to more than one term fee from a student in an academic year.

Detailed order will be issued in due course.

The platform that facilitates the sharing of ideas, thoughts through the social networking sites and also encourage students to use social media technologies to enhance communication, collaboration and information exchange.

Objectives:

1. To build image of the institution among society by publishing events and achievements.
2. To provide relevant information to stake holders.
3. To create awareness about facilities in the Institution.

Activity:

1. Categorization of the information.
2. Advertisement of the events to be conducted in the institute.
3. Providing information about all events conducted in the institute through publishing on institute website and posting the same on the social media.

6. No excess admission shall be made by the Institution over and above the approved intake under any circumstances. In case any excess admission is reported to the Council, appropriate action as per the notified regulations shall be initiated against the Institution.
7. The institutions shall not have any collaborative arrangements with any Indian and / or Foreign Universities for conduct of technical courses other than those approved by AICTE without obtaining prior approval from AICTE. In case any violation is reported to the Council, appropriate action as per the notified regulations shall be initiated against the Institution.
8. The Institution shall not conduct any course(s) in the field of technical education in the same premises / campus and / or in the name of the Institution without prior permission / approval of AICTE. If found so, appropriate action as per the notified regulations shall be initiated against the Institution.

9. The institution shall not conduct any non-technical course (s) in the same premises / campus under any circumstances. In case any violation is reported to the Council, appropriate action as per the notified regulations shall be initiated against the Institution.
10. The institution shall operate only from the approved location, and that the institution shall not open any off campus study centers / extension centers directly or in collaboration with any other institution / university / organization for the purpose of imparting technical education without obtaining prior approval from the AICTE. If found so, appropriate action as per the notified regulations shall be initiated against the Institution.
11. The tuition and other fees shall be charged as prescribed by the Competent Authority within the overall criteria prescribed by the Council from time to time. No capitation fee shall be charged from the students / guardians of students in any form. If found so, appropriate action as per the notified regulations shall be initiated against the Institution.
12. The accounts of the Institution shall be audited annually by a certified Chartered Accountant and shall be open for inspection by the Council or any body or persons authorized by it.
13. The Director / Principal and the teaching and other staff shall be appointed in given time frame and selection shall be done according to procedures, qualifications and experience prescribed by the Council from time to time and pay scales are as per the norms prescribed by the Council from time to time.
14. The technical institution shall publish an information booklet before commencement of the academic year giving details regarding the institution and courses / programs being conducted and details of infrastructural facilities including faculty etc. in the form of mandatory disclosure. The information booklet may be made available to the stakeholders of the technical education. The mandatory disclosure information shall be put on the Institution Website. The information shall be revised every year with updated information about all aspects of the institution.
15. It shall be mandatory for the technical institution to maintain a Website providing the prescribed information. The Website information must be continuously updated as and when changes take place.
16. If a technical Institution fails to disclose the information or suppress and / or misrepresent the information, appropriate action as per the notified regulations shall be initiated against the Institution.
17. All the laboratories, workshops etc. shall be equipped as per the syllabi of the concerned affiliating University and shall be in operational condition before making admissions.
18. A library shall be established with adequate number of titles, books, journals (both national & international), E-subscription, etc. as per AICTE norms.
19. A computer center with adequate number of terminals, printers etc. shall be established as per AICTE norms.
